

T. Rex, Rabbit Fighter

Shady politician in my bed
Tying bolts of lightning to his head
Call me Rabbit Fighter you know its true
'Cos babe I'll Rabbit fight all over you

Tramp king of the city he's my friend
Moondog's just a prophet to the end
Call me Rabbit Fighter you know its true
'Cos babe I'll Rabbit fight all over you

I saw a dude unscrewed and badly burned
Laughing 'Cos he'd gotten what he'd earned
Call me Rabbit Fighter you know its true
'Cos babe I'll Rabbit fight all over you

Call me Rabbit Fighter Jo Jo don't you know
