

# T. Rex, Sitting Here

Sitting here, I don't care for you  
Sitting there, you don't care for me  
But I think we're in love  
Ain't that funny  
Sitting there, you don't care for me  
Sitting here, I don't care for you  
But I think we're in love  
Ain't that funny  
Oh love's a wonderful thing that comes and goes  
Even when I'm pickin' my nose  
Ooh sitting here, you don't care for me  
Sitting here, I don't care for you  
But I think we're in love  
Ain't that funny  
Yeah yeah  
Sitting here, I don't care for you  
Sitting here, I don't care for you  
And I think we're in love  
Ain't that funny
