

# T2, Heartbroken

Sitting here at home  
thinkin bout you all alone  
Wonder where our love went wrong  
Got a confession to make...  
Since you made me happier  
Now all I can do is hurt  
When you left you took my heart  
Got a confession to make...

Ref.

I'm heartbroken (without your love)  
heartbroken (yes, I've had enough)  
heartbroken I don't know what to say  
I've never felt this way

2.

We had something so true  
I realised I meant nothing to you  
I guess you thought I was your fool  
Got a confession to make...  
Now I realise the truth  
I don't want anything to do with you  
It's just the way I was attracted to you  
Got a confession to make...

heartbroken I don't know what to say
