

Tad Dreis, Bittersweet With Lime

Wet the glass and salt the edges
Use the special kind
Cut the citrus into wedges
Bittersweet with lime

Ooo

Mock the way I hold my glasses
Slip your hand in mine
Talk about how our time passes
Bittersweet with lime

Ooo

To say goodbye like this, you know
It tastes the same as our hello

Your tequila in my blender
For the final time
Mixing drinks for one last bender
Bittersweet with lime

Ooo
