

# Tad Dreis, Bittersweet With Lime

Wet the glass and salt the edges  
Use the special kind  
Cut the citrus into wedges  
Bittersweet with lime

Ooo

Mock the way I hold my glasses  
Slip your hand in mine  
Talk about how our time passes  
Bittersweet with lime

Ooo

To say goodbye like this, you know  
It tastes the same as our hello

Your tequila in my blender  
For the final time  
Mixing drinks for one last bender  
Bittersweet with lime

Ooo
