Tad Dreis, Hair In The Tide

Oh, don't write It's too soon To say anything for sure

Oh, I'm right I know for sure I can feel my heart, I can feel the moon

My hair in the tide

Oh, don't sigh It's not June Still I'm green, wanton, true

Oh my Western isles I kick to them and I pull to you

My hair in the tide

So there are islands, I can see Kisses blowing, wind, sun, trees But there are islands under me And dinosaurs beneath my feet

They're in the tide

Oh, don't sigh It's still June There's time to dive and visit dry lands, too

Oh my Westing eyes I kick to them and I pull to you

My hair in the tide
