

Tadpole, For Me

I do not want to
I do not need to
I do not have to

What I did I did for
What I did I did for
What I did I did for me

I feel so lonely
Cause no one loves me
I feel so lonely
Full of self-pity
No one cares for me
I feel so ugly

(What I did I did for...)

Make a cut in yourself
A little opening for the pain to get in

And if you could be true
And if you loved me too
Then I would not have to
No love should come for free
What I do I do for
No love should come for...

(What I did I did for me...)
