

# Tahiti 80, 1,000 Times

Just because you'll always be  
Miles ahead of me  
I don't see why  
I shouldn't try  
To catch up with you

Cause in my mind a 1,000 times or more  
I've been there before  
There's nothing I can see  
That will stop me, believe me

(Chorus)  
Our time will come  
And I don't think I will let  
Another chance  
Pass me by

I don't want you to get bored  
Like you have a 1,000 times before  
Give me some time  
Just to show that I am up to it

(Chorus)

There's something that can be done  
To bring us back together as one  
There's something else I can do  
That's why I'm sending this message to you  
I will try another 1,000 times  
To bring us back together as one  
I will try another 1,000 times  
Till you decide to change your mind
