

# Taio Cruz, She's Like A Star

She's my everything  
like a morning girl  
she's my angel up above my world  
she's the only one who understands me  
that's why i call her my new fan league

(chorus)  
she's the only one that i want by my side  
she's the only one that i believe can save my life  
she makes me want to be a better man for a while  
she's higher than the sky  
the suns and the moon

hook  
she's like a star, like a star, like a star.  
(x4)

first let me say, she's the best of me  
is it cliché to say she's destiny  
there's no one else but her  
well at least for me  
that's exactly why i must now repeat that

(chorus)  
she's the only one that i want by my side  
she's the only one that i believe can save my life  
she makes me want to be a better man for a while  
she's higher than the sky  
the suns and the moon

hook  
she's like a star, like a star, like a star.  
(x4)

she's my star, my light, starry night  
aviator shades cuz she shines so bright  
beats on the key five songs i write  
just so i can take on them g five flights  
yea she's my type, just my height  
she's my fit, she's just right  
she's like, i think we might go far  
im like, you right  
you can be my angel wings  
her voice sound like an angel sings  
yeah i'll be back with the trademark strings  
just tryna compliment the sound she brings  
she's like, we could go far  
im like, you you you are  
im like, you you you are  
you are my guiding star

hook  
she's like a star, like a star, like a star.  
(x4)
