

Take That, Hello

i'd watch the world go by in the morning loose myself in the the news, looks like the cost of houses

(Bridge)

thought that anyone could change my view but everything looks different when im looking around v

(chorus)

glad you took the time to say hello, hello. now i dont ever wanna let you go, oh no, all the bells are

id lock myself away in the evening, and rid to ever come out, watch tv and get lost in my feelings, f

(bridge)

never thort that anyone could change my view but everything looks different when im looking around

(chorus)

glad you took the time to say hello, hello. now i dont ever wanna let you go, oh no, all the bells re ri

its a lovely day, its a lovely day

(bridge)

never thought that anyone could change my view but everything looks different when im looking wi

(chorus)

glad you took the time to say hello oh hello now i dont ever wanna let you go, let you go, all the bel
