

Taking Back Sunday, Bonus Mosh Part II

So, scream I heard about your message,
And how it reeked of your indifference,
...it bleeds horizontal straight from your wrists.

(So scream louder now)

Because I'm bound to come around about

(Bound to come around)

But can't you, can't you feel it rolling off your lips,

Tensing up your shoulders,

C'mon say it...

(Chorus)

Well, If it's love (It's love)

Make it hurt (I deserve it)

Well, If it's love (It's love)

Make it hurt (I deserve it)

Well, it's love, it's love, it's love...

Make it hurt.

I said I use the inconsistencies

That undress the machine,

You're the poster boy, their selling point, the focus for their new campaign.

(Something has to be done...it just has to)

I'm Bound to come around about

(I'm bound to come around...)

Oh, but can't you, can't you feel it rolling off your lips,

Tensing up your shoulders, c'mon...

(Chorus)

The keys to the castle

(Are right where I left them)

The princess walked in just to take more attention

'Cause after all, well isn't that all that I've been after and,

After all, well isn't that all that I'm after,

You're so...

(No way out) I give up in you, well, I give up in you,

(No way out) I give up in you.

(No way out) Well, I give up in you, I give up in you,

(No way out) Well, I give up in you.

I wanted you for nothing more

Then hating you for what you were

If that's what you wanted to hear

(Well if that's what you wanted to hear)

I wanted you for nothing more

Then hating you for what you were

If that's what you wanted to hear (Don't leave me)

(Well if that's what you wanted to hear)

I wanted you for nothing more

Then hating you for what you were

Well if that's what you wanted to hear (Don't leave me)

(Well if that's what you wanted to hear)

I wanted you for nothing more (It's love, It's love)

Then hating you for what you were (Make it hurt, I deserve it)

If that's what you wanted to hear

(Well if that's what you wanted to hear)

Well if that is how you'll let it burn
