

# Taking Back Sunday, Ghost Man On Third

Jinx me something crazy  
Thinking if it's three  
then I'm as smooth as the skin  
rolls across the small of your back  
It's too bad it's not my style  
If you need me  
I'm out and on the parkway,  
patient and waiting for headlights,  
dressed in a fashion that's fitting to the  
inconsistencies of my moods

It's times like these, where silence means everything  
And no one is to know about this  
It's times like these, where silence means everything  
And no one is to know about this

It's a campaign of distraction  
and revisionist history, oh

It's a shame I don't think that they'll notice  
(it's a shame, I don't think that they'll notice)  
It's a shame I doubt they even care  
(it's a shame I doubt they even care)  
No one is to know about this

It's a shame I don't think that they'll notice  
(it's a shame, I don't think that they'll notice)  
It's a shame I doubt they even care  
(it's a shame I doubt they even care)  
Don't let me down

But whatever I have gettin' myself into  
maybe has been slicing inches from my waist  
It's my fist vs. the bottle  
(and thank god you weren't there...)  
And that's how bad could this hurt  
or against I won't feel a thing  
(and thank god you weren't there...)  
I tell you all about it  
It's just not working out  
(...to watch me hit bottom)  
not working out

It's a campaign of distraction  
and revisionist history, oh

It's a shame I don't think that they'll notice  
(it's a shame, I don't think that they'll notice)  
It's a shame I doubt they even care  
(it's a shame I doubt they even care)  
No one is to know about this

It's a shame I don't think that they'll notice  
(it's a shame, I don't think that they'll notice)  
It's a shame I doubt they even care  
(it's a shame I doubt they even care)  
No one has to know about this  
Don't let me down
