

# Taking Back Sunday, Liar

All our secrets they are tailored trouble  
Draped loose now around your hips  
Your spotless instincts are valid  
We coexist  
Got 26 days to work with (got 26 days)  
We got 26 days to work with (it moves, it moves, it moves)  
We'll see what all gets done

I'm an addict for dramatics  
I confuse the two for love  
"You can't tell me that you don't beg..."

Liar (liar)  
If we're keeping score  
We're all choir boys at best  
(Intrusive and arrogant)  
Liar (liar)  
If we're keeping score  
We're all choir boys at best  
(Intrusive and arrogant)

Got 26 days to work with (got 26 days)  
Then back on that island  
That you swear by  
Still barely can't afford  
It's still a question of  
How long will this hold?  
Is it any different now that we are  
Don't you go there not here, not now  
(it moves, it moves, it moves)  
Not here, not now

I'm an addict for dramatics  
I confuse the two for love  
You can tell me don't beg

Liar (liar)  
If we're keeping score  
We're all choir boys at best  
(Intrusive and arrogant)  
Liar (liar)  
If we're keeping score  
Were all choir boys at best  
(Intrusive and arrogant)

We're all choir boys at best

Liar (liar)  
If we're keeping score  
We're all choir boys at best  
(Intrusive and arrogant)  
Liar (liar)  
If we're keeping score  
We're all choir boys at best  
(Intrusive and arrogant)  
Liar (liar)  
Liar (liar)  
It takes one to know one
