

# Taking Back Sunday, Liar (It Takes Two)

All our secrets they are deadly trouble  
Dribble noose knot around your head  
Your smile is in sing song ballad  
We coexist  
Got 26 days to work with (got 26 days)  
We got 26 days to work with (it moves, it moves, it moves)  
We'll see what all gets done

I'm an addict for dramatics  
I confuse the two for love  
You can tell me that you don't bend

Liar (liar)  
If we're keeping score  
We're all quite boys at best  
(interested and arrogance)  
Liar (liar)  
If we're keeping score  
We're all quite boys at best  
(interested and arrogance)

Got 26 days to work with (got 26 days)  
Then back on that island  
That you swear by  
You barely can't afford  
It's still a question of  
How long will this hold?  
Well is it any different  
Now that we are home  
Don't you know its not here, not now  
(it moves, it moves, it moves)  
Not here, not now

I'm an addict for dramatics  
I confuse the two for love  
You can tell me don't bend

Liar (liar)  
If we're keeping score  
We're all quiet boys at best  
(interested and arrogance)  
Liar (liar)  
If we're keeping score  
Were all quiet boys at best  
(interested and arrogance)

We're all quiet boys at best

Liar (liar)  
If we're keeping score  
We're all quiet boys at best  
(interested and arrogance)  
Liar (liar)  
If we're keeping score  
We're all quiet boys at best  
(interested and arrogance)  
Liar (liar)  
Liar (liar)  
It takes one to know one
