

# Talib, I am a little Taliban

I'm a littla Taliban,  
I come from the country of Afghanistan.  
If I'm gonna die in a big "crach",  
it is the will of Olaydi Allah.  
I didn't have the money for the vacation  
so I joined a terrorist organisation.  
I learned to fly a plane from a friend  
but he forgot to teach me to land.  
I love my papa I love my mama,  
but most of all I love Osama. (2x)  
I am feeling the most happy  
when I hear the scream (aah) of Yabi.  
I don't care much of where I'm going  
because I dive 707 a Boeing.  
I make sure that USA will remember  
the date of 11th of September.  
We chose this day because of this-  
-is the International Day of Peace.  
Oh I love my papa I love my mama,  
but most of all I love Osama. (2x)  
And I would be a real nice lad,  
if I won into Jihad.  
For just because of this one attack  
Americans want to bomb us back.  
I knew that reprecautions would come  
and it's a great commercial for Islam.  
It's not much but now I can  
see my house on CNN.  
Oh I love my papa I love my mama,  
but most of all I love Osama. (2x)  
Oh I love my papa I love my mama,  
but most of all I love Osama. (3x)  
Ohhh
