

Talib Kweli, On My Way

[Vinia Mojica]
I'm on my way..

Whether sunny or rain - I'm on my way..
Destiny is pre-ordained - I'm on my way..
Whether ecstasy or pain - I'm on my way..
I'm black and free from your chains - I'm on my way..

Whether sunny or rain - I'm on my way..
Destiny is pre-ordained - I'm on my way..
Whether ecstasy or pain - I'm on my way..
I'm black and free from your chains - I'm on my way..
