[Talib Kweli]

New year, new record, time to do bigger shit  
Caught a plane to Cali linked with my nigga Quik  
I figure with the combination we bomb the nation but stay calm and patient  
As the world get hyped from hearin our musical conversation  
This a beautiful situation right here  
Given birth on the track cuz the cypher stay pregnant with ideas  
And we rockin it - rock, rock, rockin it  
Tell the hater players put a sock in it!  
Proper shit, that you got to get, cause we properly document  
How cats look more like dicks than the Washington monument  
Validly try to challenge me, but who you racin wit'  
It's amazing the lyrical lynergie I be lacin shit, we be blazin it  
Put it in the air with the chronic  
My lyrics like drugs got you hooked on my phonics  
From Brooklyn to Compton the lounge of Soundbombing  
Still rockin' over "Balance and Options," now

[Chorus]

If you got a spliff then put it in the air  
If you want a rift then put it in the air  
If you shakin yo' ass, put it in the air  
If you makin it last, put it in the air  
If you leave the crib strapped then put it in the air  
Take ya hand of your gat and put it in the air  
Snook your bud in the club, put it in the air  
Got nuttin but love, put it in the air

[Talib Kweli]

They say my rhymes is too heavy, I come thicker than the fog  
You get it when I retire and battle my catalogue  
Writin rhymes in my captain's log, BlackStar date  
MC's fake like Egyptian Gods in +Stargate+  
Lovin the hate, bubble all types of weight in they rap  
I draw blood like mosquitos y'all annoy like gnats  
Pop that around the wrong cat get laid flat  
Concrete adjust to the contours in your back  
Quik where you at?

[Quik]

Yo i'm in the back room makin a run  
Ain't even touched her n makin her cum  
N you can catch me out in Portland we startin mine  
Everybody doin shows but i'm the hottest flyin'  
Bitches say honest, I swear to God  
So how come then believin them is so damn hard  
Could you really blame a nigga if you fucked a skate  
You ain't even pay that's why you flunked today  
All you heard was he sellin talk shit about niggas and drink wine  
And your answer kept changin cos bitch you keep lyin'  
Talkin bout 'he make me sick

All he do is disrespect me keep callin me bitch  
And he only wanna fuck me when he all for that dough'  
What the fuck you think i'm here for not to love you I hope  
All i'm bout to do is listen for a minute  
While I get my drink in n' introduce you to my dog Kweli n go up in it

[Chorus]

[Kweli]

C'mon  
We be blazin' (c'mon)  
So amazin' (yeh)

Everybody get down

Now let me tell you how I am

[Talib Kweli]

I'm mild-mannered at day but superhero at night  
I got the special invite to make your spot look right  
No ice, no rain, not bottles of champagne n'  
HALF these motherfuckers can't pronounce my name  
I'm so cool while you hyper in the coffee shop  
Hype niggas make girls be like 'get off me stop'  
Real niggas like thirst so of course we rock  
Cos the game unauthodox, off top  
You got cold feet like I pulled off your socks  
Always goin down town pullin all the stops  
Your breath smellin like fish from straight off the docks  
Dats how you lost your spot  
You too hype

[Chorus]

Yeh  
We be blazin' (c'mon, uh)  
So amazin' (yeh, everybody c'mon)
