Talk Show, Hide

(E. Kretz / D. Coutts / D. DeLeo / R. DeLeo)

I wouldn't wanna tell you
How much you make me feel
I wouldn't wanna make you feel uncomfortable

Only wanna tell you
how much you make me feel
But I wouldn't wanna make you feel uncomfortable

I got a feeling we're holding back the tide
I got a feeling we may never show
All the love we hide
Will soon be mine
Long time ago

I wouldn't wanna tell you
How much you make me feel
I wouldn't wanna make you feel invulnerable
Only wanna tell you
How much you make me feel
But I wouldn't wanna make you feel invulnerable

What I feel is what I fear Is
what I feel is what I fear
