

# Talking Heads, Give Me Back My Name

There's a word for it  
And words don't mean a thing  
There's name for it  
And names make all the difference in the world  
Some things can never be spoken  
Some things cannot be pronounced  
That word does not exist in any language  
It will never be uttered by a human mouth

Let X make a statement  
Let breath pass through those cracked lips  
That man was my hero  
And now that word has been taken from us  
Some things can never be spoken  
Some things cannot be pronounced  
That word does not exist in any language  
It will never be uttered by a human mouth

Give me back my name  
Give me back my name  
Something has been changed in my life  
Something has been changed in my life  
Something must be returned to us  
Something must be returned to us
