

Talking Heads, Radio Head

Baby your mind is a radio
Got a reciever inside my head
Baby I'm tuned to your wavelength
Lemme tell you what it says:

Transmitter!
Oh! Picking up something good
Hey, radio head!
The sound...of a brand-new world.

So look at my fingers vibrate
From their tip down down to my toes
Now I'm recieving your signal
We're gonna leave the land of noise

Transmitter!
Oh! Picking up something good
Hey, radio head!
The sound...of a brand-new world.

Transmitter!
Oh! Picking up something good
Hey, radio head!
The sound...Of a brand-new world.

Now you and I have no secrets
Now baby, lemme read your mind
I hear ev'rything you're thinking
You can't help the way you sound

Transmitter!
Picking up something good.
Hey! Radio head!
The sound...Of a brand-new world
Oh! Radio Head
Radio Head
