

Talla 2XLC, Carry Me (Club Mix)

As I wait patiently
Only time is gonna tell
Holding back
Hopelessly
It's a place I know so well

So come with me
Find your way
Find yourself here
It's time to see
So take on with me into the ocean deep

As I wait cautiously
I can't read between the lines
Standing here silently
Unaware of what I'll find

So come with me
Find your way
Find yourself here
It's time to see
So take on with me into the ocean deep

Carry Me
Carry Me
Carry Me Away
