

Tamia, Falling For You

HOOK:

Could I be falling for you
Is this a fantasy come true
Is this a dream that I waited for
Am i the one that you adore

CHORUS

Oh-oo-oh-oh I think i'm falling for you
Oh-oo-oh-oh-oh-oh what am I supposed to do
Cause you make me feel like i'm falling in love
Am I falling for you

VERSE 1

Could it be love tell me boy is it true
I get a rush when i think about you
Lose control of my body and my soul
and when you hold me I don't wanna let go
You give me reason every reason just to love you babe
Everything that you do is so amazing
I can't believe what your body makes me wanna do
I'm having visions of me all over you

CHORUS

You must've known though I tried to disguise
The way I feel was there fire in my eyes
On that night when our bodies intertwined
Knew right then and there that you would be mine

HOOK

CHORUS

BRIDGE

Everyday you seem to find a way
To make me go crazy
I just can't understand
But let me tell you one thing
You make me wanna say
