

Tammy Cochran, Better Off Broken

Single-sided conversations; too much time spent alone.
Even though my heart is breaking, you don't even know.
Today, I was thinking about us; what I do without you.
I was lost in reflection when I found the truth.

Can't think of one reason
To try and find a way to make this work.
Through crying, through denying.
Tired of pretending I don't hurt.
So, I've been thinking:
Maybe my heart's better off broken.

Sometimes staying is the easy way out.
But, I can't ignore this pain.
Made up my mind to get it over now,
& you're not gonna change.

Can't think of one reason
To try and find a way to make this work.
Through crying, through denying.
Tired of pretending I don't hurt.
So, I've been thinking:
Maybe my heart's better off broken.
Better off broken.

Can't think of one reason
To try and find a way to make this work.
Through crying, through denying.
Tired of pretending I don't hurt.
So, I've been thinking:
Maybe my heart's better off broken.
Better off broken.
