Tammy Cochran, Better Off Broken

Single-sided conversations; too much time spent alone. Even though my heart is breaking, you don抰 even know. Today, I was thinking about us; what I抎 do without you. I was lost in reflection when I found the truth.

Can抰 think of one reason To try and find a way to make this work. Through crying, through denying. Tired of pretending I don抰 hurt. So, I抳e been thinking: Maybe my heart抯 better off broken.

Sometimes staying is the easy way out. But, I can抰 ignore this pain. Made up my mind to get it over now, 慍uz you抮e not gonna change.

Can抰 think of one reason To try and find a way to make this work. Through crying, through denying. Tired of pretending I don抰 hurt. So, I抳e been thinking: Maybe my heart抯 better off broken. Better off broken.
