

Tammy Trent, Father God

I'm OK yes I am, will Somebody hold me
Here I am, here I am Lord, I need You now
I love You, I love You
I love You Father God, Father God
I need You, I need You
I need You Father God, Father God
I praise You, I praise You
I praise You Father God, Father God
I love You
I still believe, with my hands lifted high
Even though I ask the questions why
Even though my heart it still cries
Oh Oh, I still believe, my heart it longs
to be free I'm here, I'm here Oh Yes!
Even though I still cries
I will always wonder why
But the first thing that comes to my mind
Over and Over and Over again
Is that Jesus loves me
