

Tammy Trent, Run To The Cross

When the pain of today steals your hope for tomorrow
And you feel like you can't go on
Jesus is waiting He shares your sorrow
He knows your strength is gone
And He bore the pain that's been breaking you
So let it go just let it go..and

Run to the Cross
Leave every care there in His loving arms
Just Run to the Cross
Where healing waits
For the race has been won
For all who will Run to the Cross

When you lose your way and your heart starts to wander
From the mercy that led you home
Through all your straying His love will be stronger
Than the weakness you fight alone
And He knows your will will keep failing you
So let it go just let it go...and
