

Tammy Wynette, Joy Of Being A Woman

See our baby on the swing hear her there hear her sing
Knowing that she came from me fills my heart with joy to be a woman

See her daddy with our child hear his laughter see him smile
Sharin' all his love with me fills my heart with joy to be a woman
I thank God each and every night for he's given me the right
To know love to give love and to be loved
And with every passing day my love grows strong in every way
And I found the joy of being a woman
See our baby on the swing...
To be a woman to be a woman to be a woman
