There's just one place for me  
Near you

It's like heaven to be  
Near you

Times when we're apart  
And I can't face my heart

Say you'll never stay  
More than just two lips away

If my hours could be spent  
Near you

I'd be more than content  
Near you

Make my life worth while  
By telling me that I'll  
Spend the rest of my days  
Near you

near you - near you

Make my life worth while  
By telling me that I'll spend the rest of my days  
Near you

Spend the rest of my days  
Near you
