

Tammy Wynette, Together We Stand (Divided We Fall)

You tell me you're thinking of leaving no I'm saying that our thing's gone wrong
But darling let's both talk it over I've been talking too much way too long
Oh we both gettin' nowhere at all but together we stand divided we fall
Together we stand divided we fall together there's love or there's no love at all
Oh where did you think we were going anyplace I could go would be wrong
But darling you know I'll be lonely I've been lonely too much way too long
Oh let's both try again and do all for together we stand divided we fall
For together we stand divided we fall
