

Tammy Wynette, We Go Together

George Jones & Tammy Wynette
(Norro Wilson - Danny Walls)

The places where we used to meet, we go together
Step by step like shoes on the feet, we go together
Just like the sand out in the sea, what good is sugar if you have no tea
What good're you if you don't have me, we go together.

That old feeling we used to get even feels better
There was a girl you made me forget the day I met her
Just like the tears in a baby's eyes, just like the stars up in the sky
Like icecream and an apple pie, we go together.

We go together like the storm and rain
Just like the fire that needs the flame
Just like the picture needs the frame
We go together.

We go together like the moon and June
Just like the fork needs the spoon
Just like the song that needs the tune
We go together.

--- Instrumental ---

We go together.

--- Instrumental ---

We go together.

Yeah, the places where we used to meet, we go together
Step by step like shoes on the feet, we go together
Just like the sand out in the sea, what good is sugar if you have no tea
What good're you if you don't have me, we go together.

We go together like the storm and rain
Just like the fire that needs the flame
Just like the picture needs the frame
We go together.

We go together like the moon and June
Just like the fork needs the spoon
Just like the song that needs the tune
We go together...
