

# Tamoto, Beware

-Just make a run  
And what you need is an overload  
- Just make a run  
But what you get are useless things  
- Just make a run  
And then i hope you can change your life  
- Change your life  
But you can't, because youre in too deep  
- Just make a run  
I wanna see the break in me  
before I'm history  
- Just make a run  
I wanna cry out loud  
and tell the people that I'm not a freak  
- Just make a run  
Wanna be the man with the fun  
Just make, just make a run, run, run  
[course 2x]  
Beware  
before flowers grow on your grave  
you got to take it or leave it  
Beware...  
- Just make a run  
So you decided to loose yourselve -  
- Just make a run  
No more plesures on your way  
- Just make a run  
And you stop trying to release your pain  
- Just make a run  
Because you still inject the poison in your vain  
- Just make a run  
I wanna see the breake in me  
before I'm history  
- Just make a run  
I wanna cry out loud  
And tell the people that I'm not a freak  
- Just make a run  
Wanna be the man with the fun  
Just make, just make a run, run, run
