

Tamoto, Like A Child

Can't you see what she did to me
I can't believe she did the same to you
She took all of my money ain't it funny
'cause she did the same to you
I don't know how you feel
but I thought that she was mine
I don't know what you want
but I leave this all behind
When tears were coming out of her eyes
I couldn't see all the lies
Now I'm broken and she has gone away
And I cry and I try
and I'm shy and I'm high
and she lies - like a child
And I cry and I try
and I'm shy and I'm high
and she lies - like a child
After all that she did to me
I'm afraid she could do to you
Look at me and realize
I hate her yes it's true
I don't know how you feel
but I thought that she was mine
I don't know what you want
but I leave this all behind
And I cry and I try
and I'm shy and I'm high
and she lies - like a child
And I cry and I try and I cry
And I cry and I try
and I'm shy and I'm high
and she lies - like a child
And I cry and I try
and I'm shy and I'm high
and she lies - like a child
And I cry - like a child
and I'm shy - like a child
And she cries - like a child
Tamoto break
Tamoto break
Tamoto break
And on this beautiful morning
a truck will pass her way
(away)
And I cry and I try
and I'm shy and I'm high
and she lies - like a child
And I cry and I try
and I'm shy and I'm high
and she lies - like a child
And I cry - like a child
and I'm shy - like a child
And she cries - like a child
