

# Tanita Tikaram, Deliver Me

One day to wonder what's bothering me -  
(You said it)  
I'm just the half of this - that just won't see -  
(Believe it)  
If I am wishing I am hoping as well  
(Sometimes I)  
I tell you clearly  
But it's hard to tell

Someone will watch me with an eager eye -  
(But I'm not)  
I'm not even here, to even try  
If the rain stops calling, calling my name  
Well, I'm still in the thick of it and bearing the shame

(Deliver me)  
Oh, no - you don't deliver in me  
(Deliver me)  
Oh, no - you don't deliver in me  
(Deliver me)  
Oh, no - you don't deliver in me, but one day  
You'll wake up and then you'll see

Some times are hard, some times they drag  
Well, I can see your face - you've seen the half of this  
Maybe, I'm naming all the changes too much  
(But see you), you never leave it if you have to touch

(And I will) always be waiting with a happy smile  
But the smile is just a laughing  
Killer - laugh-a-while  
Don't know what I'm doing here  
Don't know if I'm sane  
But I swear if I'm feeling this -  
I'm feeling the pain

(Deliver me)  
Oh, no - you don't deliver in me  
(Deliver me) Oh, no - you don't deliver in me  
(Deliver me) Oh, no - you don't deliver in me, but one day  
You'll wake up and then you'll see  
And I can't be your standards  
Wish you away  
No, I can't be all this much  
See you still have too much to say

Some skies are darkening and call out loud  
Well, I'm the good side of you and I'm still proud  
To be waiting for lightness when you stray  
Well I'm sure that I hear him  
He's slipping away

(Deliver me)  
Oh, no - you don't deliver in me  
(Deliver me)  
Oh, no - you don't deliver in me  
(Deliver me)  
Oh, no - you don't deliver in me, but one day  
You'll wake up and then you'll see
