

Tanita Tikaram, I Like This

Share our coffee share my thoughts
I could wait for years
I don't know if you're an angel
Or I'm just feeling weird

I like this picture
But I don't want to work too hard
And I ask you for a number
You say "hey, baby if I'm an angel
Maybe you should take my card"

Baby I got time for you
But can you thrill me?
Really thrill me
Baby I got time for you
But can you thrill me?
Really thrill me

I'm not silence into hiding
I want the words you say
And if it seems we take the same, well...
When I feel lucky, I feel lucky

Baby I got time for you,
Yeah if you do me,
Really do me
Baby I got time for you,
Yeah if you show me,
Really show me

Oh, well, I like this one
Oh, yeah, well I like this one
I-I-I like this one
Yeah, yeah, I like this one yeah
