

# Tanita Tikaram, That's Why I'm Leaving Here

I can tell by the look on your face  
That this is not the time or the place  
To ask you why - or to even try  
Just one look and I feel so alone  
Took so long to realize I was wrong  
And that's why I'm leaving here

I always knew that there'd be changes  
You sometimes win, sometimes lose  
I never thought I would lose so much tho'

Now what am I to do

I can tell by the look on your face  
That this is not the time or the place  
To ask you why - or to even try  
Just one look and I feel so alone  
Took so long to realise I was wrong  
- and that's why I'm leaving here  
- and that's why I'm leaving here  
- and that's why I'm leaving here
