

# Tank, Close

Baby its been a while  
Cuz I don't sleep around  
I'm choosy bout who  
I give my love to  
Don't wanna disappoint ya  
Cause i been sayin  
how much I want you  
but this first one might come real soon  
OH I

[chorus:]  
I'm so close (I'm so close and I)  
I can feel it (feel it, oh)  
I'm so close (i'm so close)  
I can feel it ( feel it ummm)

Started on the telephone  
Promisin' all night long  
Didn't know what I was  
gettin myself into  
Up and down  
Back and Forth  
Slow down to give me more  
Tryin to fight it, but  
I don't think its right to

[chorus:]  
I'm so close (ooh yeah)  
I can feel it (said I can feel it baby ooohh)  
I'm so close (oooh)  
I can feel it (i can feel it, i can feel it baby)

Bodies touchin'  
lips kissin'  
Holdin tight  
Sweat drippin'  
I can feel you all over me  
Heart racin'  
Your ridin'  
I'm cummin'  
Can't fight it

[chorus:]  
I'm so close  
I can feel it ( I can fight it, no)  
I'm so close  
I can feel it  
[x2]

I'm close  
I'm close  
I'm close  
[x4]
