

Tank, I'm Reason Why

[VERSE 1]

Many nights I wondered why
You would just up and leave my life
Many days I stayed at home
Tired of life just need to be alone

[BRIDGE]

I can't see life without you and me
I can't see or be anything else
You're long gone when I need you here
And I can't blame nobody but myself

[CHORUS]

So I'm the reason why we're apart
I'm the reason why you won't stay (I'm the reason)
I'm the cause of these broken hearts
I'm the reason why love I know is leaving my life

[VERSE 2]

Many nights I followed you
Just to see if you were telling the truth
Many days I questioned you
I just didn't trust what you said you'll do (oh yeah)

[BRIDGE]

I can't see life without you and me
I can't see or be anything else (oh yes)
You're long gone when I need you here
And I can't blame nobody but myself

[CHORUS]

So I'm the reason why we're apart (I'm the reason why)
I'm the reason why you won't stay (oh the reason)
I'm the cause of these broken hearts (these broken hearts)
I'm the reason why love I know is leaving my life

So I'm the reason why we're apart
I'm the reason why you won't stay (ohhh)
I'm the cause of these broken hearts
I'm the reason why love I know is leaving my life

x5 I'm the reason why we're apart

I'm the reason why
Can't believe I'm
I'm the reason why
I'm the reason why
