

# Tankard, Incredible Loudness

We want headbang every night  
C'mon turn out the light  
Heavy concerts and horrible parties  
Dying by 200 phone  
Too loud you're dying playin' Heavy Metal  
Too loud you're dying playin' Heavy Metal  
Wanna hear load and heavy  
Ready for destroying really  
Ears fall down from philistine  
'Cause Venom plays in Odeon

Incredible Loudness we want - that's hard, that's heavy  
Playin' hard and loud we want - that's good, that's right  
Incredible Loudness we want - that's hard, that's heavy  
Playin' hard and loud we want - that's good, that's right

Running free kill'em down  
Let's play heavy with much rown  
Dying whores and lying here  
It's so loud it's shread your ear  
Too loud you're dying playin' Heavy Metal  
Too loud you're dying playin' Hard and Heavy  
Drinking their blood tonight  
It's a very very great delight  
The reason why we do this  
Is our incredible loudness
