

# Tankard, Land Of The Free

Jay walking - and you're gonna land in jail  
Doesn't matter - if you can pay the bail  
Gotta get out of here  
Gotta get out of here - I won't stay  
A young boy of eleven on trial

Land of the free - if you're able to pay  
Land of the free - if you're righteous than stay  
Land of the free - better bring some good luck  
Land of the free - but we don't give a fuck  
Land of the free - but without me, land of the free

Where's O.J. - he's got money that talks  
High paid lawyers - that's why the rich man waolks  
Gotta get out of here  
Gotta get out of here - I won't stay  
Breaking rules that I knew now existed  
Inane laws which I knew not about

Land of the free - if you're able to pay  
Land of the free - if you're righteous than stay  
Land of the free - better bring some good luck  
Land of the free - but we don't give a fuck  
Land of the free - but without me, land of the free

Land of the free - but not in the bible belt  
Land of the free - persecution is what I felt  
Land of the free - now I'm really bored  
Land of the free - of rednecks and the lord  
Please help me - I'm stranded without a beer  
I'm not of age - fake liscence tucked in my rear  
Gotta get out of here  
Gotta get out of here - I won't stay  
It's the law and you obey with blind folds  
Don't complain 'cause it's you who's at fault

Land of the free - if you're able to pay  
Land of the free - if you're righteous than stay  
Land of the free - better bring some good luck  
Land of the free - but we don't give a fuck  
Land of the free - but without me, land of the free  
Land of the free - but without me, land of the free  
Land of the free - but without me, land of the free  
Land of the free - but without me, land of the free?
