

# Tanya Stephens, Can't Breathe

I guess i'm expected to say god bless you  
but you left me, meh neva left you  
and wa meh do rite now, meh can't even say "you  
but meh can say dis dough

[Chorus:]

I hope u can't live without me  
Can't eat, can't sleep, can't breathe  
Can't get ur mind to stop thinking about me  
Can't eat can't sleep, can't breathe  
I hope u whine up lonely  
Can't eat, can't sleep, can't breathe  
Then ur gonna wish u coulda still come hold me  
Can't eat, can't sleep, can't breathe

[Verse:]

I bet u think i'm supposed to smile, put the best outside  
Put on an act to protect my pride  
U want me to take it like a man; but I'm a girl who cries  
So if I puncture ur tires don't be too surprised  
And while I'm at it, hell, I may as well key up ur car  
Cause what u did to my heart thats an act of war  
Well every step u take I'll be one step behind  
Won't let u get me out of ur mind

[Chorus]

[Verse:]

I should allowed to be bitter(how not), cause its only fair( of course)  
I'm falling apart, but u don't care  
Why is she so happy why do you smile  
And why aren't u guys fighting all the while like we did  
I know it must be a charade; God please send me a shower to rain on their parade  
I hope she's cheating juggling nuts like a squirrel  
Better yet I hope she leaves u for a girl  
cause yuh can't live widdout me

[Chorus]

[Verse:]

Bout you nuh wan go geh married and you would love me to be there  
I woulda tell yuh somethings, but dem nah fit fo de ears  
Usually me woulda say good bye and I wish you well  
but not to you, I hope your life turns out to be hell  
bet you think I want you to die but no, I want you to live  
and suffer and cry like I did  
I'm just keepin it real. Ah jus so meh feel

[Chorus]

[Verse:]

(Wa meh say, yow)  
She can't cook like me; can't jook like me  
She no know u in and out like a book like me  
She no full a style like me; can't make yuh smile like me  
And she can never bear beautiful child like me  
She no tight like me; no fling it up right like me  
And if meh buck her one her way she can't fight like me  
You done know; meh say ah just so it go (of course)

[Chorus]

[Fade]
