

# Tanya Tucker, Can't Run From Yourself

You can run for cover  
You can run for help  
You can run to your lover  
But you  
Can't ever run from yourself  
No no no  
Because there you are  
No matter how far you go  
You can run to Alaska  
Run to L.A  
Run home to mama  
But you  
Can't ever run from yourself  
No no no  
Because there you are  
No matter how far you go  
No matter how far you go  
No matter how long you stay  
You can run forever  
But darling you will never  
Never find true happiness that way  
You can run for election  
You can run for your life  
Run for protection  
But you  
Can't ever run from yourself  
No no no  
Because there you are  
No matter how far you go  
Oh no  
No matter how far you go  
No matter how long you stay  
You can run forever  
But darling you will never  
Never find true happiness that way  
You can run for cover  
You can run for help  
You can run to your lover  
But you  
Can't ever run from yourself  
No no no  
Because there you are  
No matter how far you go  
There you are  
No matter how far you go
