

Tanya Tucker, I Don't Believe That's How You Feel

Aha

I don't believe that's how you feel
I don't believe that you don't love me
I guess I must have hurt you bad
I didn't mean to make you sad
And I sure regret the words I told you now
I don't believe that we're all through
I don't believe that it's all over
Let's forget who's right or wrong
And remember we belong together
Let's forgive and forget and start over
We all make mistakes now and then
I don't want to love any other
I just want to love you again - and again

Aha

(take it to Mexico, boy)
Let's forgive and forget and start over
We all make mistakes now and then
I don't want to love any other
I just want to love you again
I don't believe that's how you feel
(I don't believe that's how you feel)
I don't believe that you don't love me
(I don't believe that you don't love me)
I guess I must have hurt you bad
I didn't mean to make you sad
and I sure regret the words I told you now
I guess I must have hurt you bad
I didn't mean to make you sad
and I sure regret the words I told you now

Aha

I can see Acapulco from here
wooh, yeah
(mexican word) everybody
