

Tanya Tucker, If Your Heart Ain't Busy Tonight

(Chris Waters/Tom Shapiro)

If your heart ain't busy tonight

Maybe it would like to get with mine

If your heart ain't busy tonight

Well I could keep it occupied for a long long time

If your lips ain't got something pressing to do

If your arms aren't held up, well their invited too

If your heart ain't busy tonight

Maybe it would like to get with mine

Anytime

Well its kind of you to lend me an ear

Well that's a start but I believe

If I could only get the rest of you over here

Then all of you might fall in love with all of me

If your heart ain't busy tonight

Maybe it would like to get with mine

Anytime - Oh-yeah

If your feet are restless for somewhere to go

And your eyes want something more to see

Why don't you let them lead the rest of you to my door

So all of you can fall in love with all of me

If your heart ain't busy tonight

Well maybe it would like to get with mine

If your heart ain't busy tonight

Well I could keep it occupied for a long long time

Yes I could

If your lips ain't got something pressing to do

If your arms aren't held up, well they're invited too

If your heart ain't busy tonight

Maybe it would like to get with mine

If your heart ain't busy tonight

Maybe it would like to get with mine

Anytime Uh-Uh
