## Tanya Tucker, Let Me Be There

Wherever you go wherever you may wander in your life Surely you know I'll always wanna be there Holdin' your hand and standing by to catch you when you fall Seeing you through in everything you do Let me be there in your morning let me be there in your night Let me change whatever's wrong and make it right Let me take you through that wonder land that only two can share All I ask you is let me be there [guitar + harmonica] Watching you grow and going through the changes in your life That's how I know I'll always wanna be there Whenever you feel you need a friend to lean on here I am Whenever you call you know I'll be there Let me be there in your morning... Let me be there in your morning... All I ask you is let me be there
