

# Tapes 'N Tapes, Say Back Something

say back something  
why don't you meet me in the morning?  
say back something  
my arms will meet you in the air  
when you say come back  
why don't you mean it in the morning?  
when i say come back  
my hands will meet you in the air

clouds have got your head  
there's silence in our bed  
and arms and legs of lead  
and i, oh, i'm so scared

say back something  
why can't you look me in the eyes?  
stuck in the undertow  
and i still hold out  
why won't you meet me in the morning?

salt has drowned my head  
and i've been so mislead  
by the comfort of our bed  
and i, oh i'm so scared  
no i, no i'm so scared

you mean it all?  
then say it all  
and i'll be in our bed
