

Tapping The Vein, Beautiful

Please, I don't hear what you're saying
It all sounds like mud to me
There's a man here, I've seen his face
He's sure I'll recognize him
And he's breathing all his hate on me
He binds my wrists and he throws me down

And I can't see

Wake me, I hope I'm dreaming
I am beautiful, I'm beautiful
Wake me, there must be some mistake

No, I don't hear what I'm hearing
Fear, you are my new best friend
'Cause these wicked boys brought their pieces
And their itchy fingers,
And the panic crawls into my throat
'Cause I turn my head,
And they're looking at me

And I can't scream

Save me, I think I'm bleeding
I am beautiful, I'm beautiful
Save me, there must be some mistake

And I can't scream
I can't scream

I'm bleeding
I am beautiful, I'm beautiful
Save me, there must be some mistake
Save me, look, I'm bleeding
I am beautiful, I'm beautiful
Save me, there must be some mistake
Oh, ohh, oh, ohhhh
Oh no no no no
Oh, ohh, oh, ohhhh
Oh no no no no
Oh, ohh, oh, ohhhh
