

Tapping The Vein, Bury Me

Bury me somewhere with a breeze
Bury me somewhere by the mere
Faith was holding out but today,
I woke up with a stranger

Bury me somewhere by the seaside
Bury me somewhere no one will find
Today's my falling down day
I don't know you, you're a stranger

And I'm alive,
By definition, I'm alive
Alive is relative
Alive is not what this is
I'm alive, I'm alive, I'm alive
I'm alive by definition

Bury me somewhere with a breeze
Bury me somewhere I can breathe
Faith was holding out but now,
You're no more than a stranger

And I'm alive,
I'm alive, I'm alive, I'm alive
I'm alive
