

Tapping The Vein, The Ledge

I am tired, I am drained
I don't sleep for days
Immersed in the drama
Strapped to your stage

I don't wanna be just another lover on a ledge

I can't give you your life
I can't give you my sympathy
Off your knees, release me
I'm whole again
Whole again

I wanna fly, I wanna run
I wanna hide from you
Then I wanna crawl back and lie down
And hold on to you

I don't wanna be just another lover on a ledge
I don't wanna be just another lover on the edge

I can't give you my life
I can't give you the rest of me
Off your knees, release me
I'm whole again
Whole again

Whole again
Whole again

I can't give you your life
I can't give you my sympathy
Off your knees, release me
I'm whole again
Whole again
Whole again
Whole
