

Tapping The Vein, Undone

I Feel Like I'm Going To Break Open Wide
I Can't Stop The Walls From Burning, Swelling My Wide Eyes
The Fear That I'm Fearing Now Is Crippling Me
Leaving Me Broken, Shivering Here On My Knees

I Feel Like I'm Ready To Crack From Head To Heel
Knowing I'll Never Reach All The Things That I Need To Feel
And With The Way That It's Haunting Me And The Depth That It Runs
I Am Amazed That It Took Me This Long To Come Undone

It's Raining On Me Now
The Rain It Won't Stop

It's Raining On Me Now
The Rain It Won't Stop

It Won't Stop
It Won't Stop
It Won't Stop
