

# Tara Rocks, Same time, same place

It's time to listen what I say,  
Give me a sign to make me stay.  
So don't excuse and tell me nice,  
I don't want to say good-bye.

(rap)

It's time to listen what I say,  
Give me a sign to make me stay.  
So don't excuse and tell me nice,  
I don't want to say good-bye, oh no.

London, Paris, Berlin,  
I'll be there in any case,  
Same time, same place,  
Don't hurt me babe,  
Bangkok, Sydney, Beijing,  
I'll miss you in any case,  
Same time, same place.

I got you be on time,  
Just be on time.

I got you be on time,  
Just be on time.

Same time, same place.
